ACTION CORPS**

BOOST YOUR CLIMATE INITIATIVES

Mobilize Community Climate Action

California Climate Action Corps is a national service program led by California Volunteers and implemented by the Local Government Commission and Bay Area Community Resources, dedicated to supporting organizations and local public agencies to address climate and community resilience issues across California.

California Climate Action Corps is part of a larger statewide initiative to address the climate crisis by placing emerging leaders with local organizations to mobilize community members on direct climate action through outreach, education, and volunteer mobilization. **California Climate Action Corps** projects focus on:

Receive Project Support

Fellows serve local communities across California, in partnership with local public agencies, Tribes, and non-profit organizations. Fellows complete 1,700 hours of service over 11 months from September to August.

Our Fellows

Fellows are selected through a competitive national interview process. All Fellows have a passion for community-driven change, a college degree, and workplace and community service experience.

No Cost to Partners

CCAC Positions are fully funded by California Volunteers, Partners will not need to provide a fiscal contribution.
